A great deal of activity is going on in a dance hall in the Klondike. Suddenly a prospector runs in and yells "GOLD" to everyone. He tells them where it is to be found.

Alice and Julius rig up a sleigh and away they go to the gold fields. They discover gold and stake a claim. While they are engrossed in unpacking, the villain comes along and transfers all their gold to his own claim.

Julius discovers this and has a fight with the villain and gets the gold back. The villain then tries to get it again and Alice and Julius chase him off a precipice. They stand at the edge and watch his descent and when suddenly they rock give way, they fall down too.
